Waiting Lists

The Museum offers waiting lists when camp sessions are full. We will call parents by noon on the Friday before your requested session to let you know if a spot has become available.

Studying science and history helps children to know and understand the world around them. The Museum offers your child this opportunity in a safe, fun, and educational setting. Through non-traditional teaching techniques, campers are encouraged to explore science, animal behavior, history, and their local environment using interactive lessons and educational games and crafts.

Our facilities include classroom areas, the Discovery Room, and a 40-acre park, all used to enhance your child’s learning experience. Staff members are experienced teachers and, to ensure personalized instruction, classes are kept small, with a teacher to student ratio of 1:5. COVID-19 safety procedures per CDC recommendations for camps will be carefully observed.

Classes fill up quickly, so register soon! For more information, please call (979) 776-2195, or email education@brazosvalleymuseum.org.

An educational experience awaits your child at the Museum’s 2020 Summer Nature Camp!
